PHARMACIST SUPPORT

The profession's independent charity

Here for you throughout your pharmacy journey

Whether you're studying for exams, managing workplace pressures, facing financial challenges or taking steps to look after your wellbeing, we're here for you.

How we can help

Personal wellbeing

Protecting and supporting mental and physical health.

Financial health

Building financial confidence and positive money habits.

Workplace wellbeing

Helping individuals and organisations create healthier working environments.

Studying and training

Helping students and trainees thrive throughout their studies, training and early career.

Support in a way that works for you

From information and resources available online 24/7 to workshops, campaigns, podcasts, counselling, peer and addiction support, financial assistance and specialist advice.

Confidential. Independent. Here when you need us. Find out more
