

Make your donations go further by signing up to Gift Aid.

Pharmacist Support Gift Aid form.

What is Gift Aid?

Gift Aid is a scheme available to charities like Pharmacist Support which enables us to claim extra money from HMRC at no extra cost to you. Through this scheme, we can claim an extra 25p for every £1 you donate from any donation you've made in the past four years!

Gift Aid is important for charities, and means millions of pounds extra go to the charity sector. Each time an eligible tax payer donates and forgets to tick the Gift Aid box, the charity misses out. As long as you're a British tax payer, paid the basic rate of tax and make the donations from your own funds, Gift Aid can increase the value of your donation by 25%.

This means you can help us to support more people across our pharmacy family. So, if you're a UK tax payer, please fill out your details below (either electronically or print/complete/scan a copy, and send it back to us at finance@pharmacistsupport.org. Thank you.

I am a UK taxpayer and would like Pharmacist Support to reclaim tax on this donation (25p in every £1) and on all donations I have made for the 4 years prior to this year and any further I make hereafter until further notice. I understand that I must pay an amount of Income Tax and/or CGT in the tax year at least equal to the amount of tax that all the charities and CASCs I donate to will reclaim on my donations for that year.
